UMBRELLA MAN

By Wes Farrell, Jim Cretecos and Mike Appel

Your world is cloudy, blue skies turned to gray.
Raindrops are fallin' but why stop and call it a day?
There'll be no stormy weather as long as you're with me.
Our love's so together. Girl, I love you,
You can depend on me.
I'll be your Umbrella Man,
Shower you with all my love. Umbrella Man,
Shelter you in my lovin' arms. Umbrella Man,
Heaven help me, child, you know I love you.
Too many nights of love have come and gone.
That's all behind us girl, I know we can get it on.
Well, I want your love to be always close at hand.
You're heaven sent to me.
We can make it, girl, I know we can.
I'll be your Umbrella Man,
Shower you with all my love. Umbrella Man,
Shelter you in my lovin' arms. Umbrella Man,
Heaven help me, child you know I love you.
I'll be your Umbrella Man,
Shower you with all my love. Umbrella Man,
Shelter you in my lovin' arms. Umbrella Man,
Heaven help me, child you know I love you.
Love you, love you, Oh, I love you.
Umbrella Man, shower you with all my love.
Umbrella Man, shelter you in my lovin' arms.
