LAY IT ON THE LINE
By Wes Farrell and David Cassidy

I don't have to explain what's on my mind,
Gonna show you, show you, gonna make you mine.
Ain't no mountain too high to climb,
Show you, show you, gonna take the time.
Show you, (show you,) show you, (show you.)
Show you, show you, gonna make you mine.
Show you, show you, gonna blow your mind.
Show you, show you, gonna take the time.
Show you, show you, lay it right on the line,
Right on the line, right on the line.
Right on the line, right on the line.
Nobody ever really got inside me
Just looking in my eyes.
Touching you is all I needed
To make me realize.
Show you. show you.
Show you, show you, gonna make you mine.
Show you, show you, gonna blow your mind.
Show you, show you, gonna take the time.
Show you, show you, lay it right on the line.
