From television to recording and record breaking concert tours, from Broadway to Las Vegas production shows, television sitcom creation and producing, writing and directing both television and live theatrical productions, **David Cassidy** has made his mark and been lauded accordingly. Hailing from a theatrical family including mother Evelyn Ward, highly respected stage and television star Jack Cassidy, and Academy Award winning stepmother Shirley Jones, his fate as a performer was essentially seeded at a young age. It was by coincidence that he wound up starring with Shirley Jones in the astonishing success "The Partridge Family," which launched one of the most spectacular careers in the entertainment business.
