
THERE'LL COME A TIME

By David Cassidy

There'll come a time I know
You might see me after a show
And maybe there'll be no-one else around
Just take a good look at me
If you forget just who I might be
Don't be surprised if someone real is found
You know I got feelings just like you
When I get lonely I cry, too
Can't you see I'm not a circus clown.
And if you think you like what you see
How 'bout coming along with me?
Take a chance on someone who's been down.
Do do do do do do do do do do do do do do do do do.
Don't let me walk by alone
'Cause I'd have stopped if I had known
You'd care to know who I was inside
You know I got feelings just like you
When I get lonely I cry, too
Can't you see I'm not a circus clown.
And if you think you like what you see
How 'bout coming along with me?
Take a chance on someone who's been down.
You know I got feelings just like you
When I get lonely I cry, too
Can't you see I'm not a circus clown.
And if you think you like what you see
How 'bout coming along with me?
