IF YOU EVER GO

By Wes Farrell and Tony Romeo

If you ever put me down
I would fall right thru the ground
Couldn't make it on my own
Couldn't stay here all alone.
And there would be no sun
And there would be no one to run to
If you ever go honey you'll never know
What it would do to me
The hurt would be new to me
If you could ever believe
The love I got up my sleeve
Then you would never go.
Honey don't ever go.
If you ever said goodbye
I would want so much to die
All this world would look so gray
Couldn't face another day
And there would be no sun
And there would be no one to run to
If you ever go honey you'll never know
What it would do to me
The hurt would be new to me
If you could ever believe
The love I got up my sleeve
Then you would never go.
Honey don't ever go.
And there would be no sun
And there would be no one to run to
If you ever go honey you'll never know
What it would do to me
The hurt would be new to me
If you could ever believe
The love I got up my sleeve
Then you would never go.
Honey don't ever go.
