LAST NIGHT

By Wes Farrell and Tony Romeo

Last night I couldn't fall asleep
Because I wanted to keep on thinkin' of you
Last night I was flyin' high
I was happy I was happy.
Last night you told me something that
I won't forget if I should live forever.
Last night you said you loved me and it
Gave me fever and I thought it over
Baby, my baby. When you are there I'm aware
That I must be dreaming
When you are near I can hear my
Body screaming never let me go honey
Never let me go baby never let me go
Never ever ever let me go.
