
HELLO, HELLO

By Wes Farrell and Tony Romeo

Hello, hello I love you so
Yet it all began when I ran
Into you not so long ago
And since that day
I've wanted to say Hello oh, oh.
Hello would you like to go
To a place with me where we
Can watch the hours go by?
You're sure someone
I'd like to get to know oh, oh.
I still don't know you name
And I couldn't care less
I like what I already see
Whatever sign you are or what's
You're address don't
Really matter much to me
Just wanna say hello, hello
I love you so
Yet it all began when I ran
Into you not so long ago
And since that day
I've wanted to say hello oh, oh.
Da da da da da da hello hello hello
Da da da hello da da da hello da da da.
I still don't know your name
And I couldn't care less
I like what I already see
Whatever sign you are or what's
Your address don't really
Matter much to me
Just wanna say hello hello
I love you so
Yet it all began when I ran
Into you not so long ago
And since that day
I've wanted to say hello oh, oh.
