

# I Think I Love You

I'm  
**Dm**  
sleep-ing, and right in the middle of a  
**A**  
good-dream,

When all at once I  
**Dm**  
wake-up, from something that keeps  
**G**  
knock-ing-at-my-brain,

Be-fore I go insane I hold my  
**Dm**  
pillow to my head,

And  
**C**  
spring-up in my bed, screaming  
**G**  
out the words I dread – I think I  
**Dm**  
love

you!

This  
**Dm**  
morn-ing, I woke up with this  
**A**  
feel-ing,

I didn't know how to  
**Dm**  
deal-with, and so I just  
**G**  
decided to myself

I'd hide-it-to-myself and n  
**Dm**  
ever talk about it,

And  
**C**  
did not go and shout it when you  
**G**  
walked into the room – I think I  
**Dm**  
love

you!

I think I  
**G**  
love you so what am I so a  
**D**  
fraid of I'm afraid that I'm not

**A**  
sure of a love there is no  
**Bm**  
cure

for

I think I  
**A**

love you isn't that what life is

**D**  
made

of

though it

**E**  
worries me to say that I've  
**A**  
never felt this way

I

**G**  
don't know what I'm  
**C**  
up against, I  
**D**  
don't know what it's  
**A**  
all

about

I

**A**  
got so much to  
**D**  
think about,  
**A**  
Heeeeeeeey

Be-

**Dm**  
lieve me you really don't have to  
**A**  
wor-ry

I only wanna make you h

**Dm**  
ap-py and if you say hey g  
**G**  
o away I will

But I think better still I better

**Dm**  
stay around and love you

Do you

**C**  
think I have a case let me  
**G**  
ask you to your face do you think you  
**Dm**  
love

me?

I think I

**G**  
love you, I think I  
**D**  
love you, I think I  
**G**  
love you, I think I  
**D**  
love

you,

I think I

**G**  
love you, I think I

**D**  
love you, I think I

**G**  
love you, I think I

**D**
