

# AWAY FROM IT ALL...

Wow man, just get a load of that groovy fresh air! This beats stuffy dressing-rooms any day! Whenever I can, I just love to jump in the car, and drive off to somewhere quiet and peaceful, where I can really relax. This little wood is one of my favourite places to spend a sunny afternoon. Wish you could come along and visit it too!

Just look over there—trees and trees as far as you can see. Man, this is my idea of a great place to live! Wonder if I could pitch a tent in that clearing? Sheesh and the rest of the hound doggies would love it here too, I'll bring them along for a good long run next time I come. This is the life for me!
