

CAPRICORN

(December 22nd—January 20th)
Capricornians have a goat for their sign and they do tend to be plodders. But slowly and surely always gets them there in the end!

Friends: You could be overlooking some worthwhile friends... don't be snobbish.

At Home: You're not at all keen on babysitting — but do give Mum a hand sometimes.

At School: You're prepared to work hard, even in subjects you don't like, and your reward is good marks.

Fashion and Beauty: You've got lots of willpower when it comes to dieting, but it's easier to eat wisely year-round.

Romance: You're very careful about who gets your attentions... don't miss out on those shy boys.

With David: You're not one to put on an act — full marks from David for that!

AQUARIUS

(January 21st—February 18th)
If you were born under the sign of Aquarius the Water-Carrier you're probably quite artistic and idealistic. Your nightly prayer is for peace on earth.

Friends: You love inviting friends round for the weekend... and they love coming. But make sure Mum has enough in the larder!

At Home: You hate family

squabbles and do all you can to stop them.

At School: You're not working as hard as you could. Try it — you'll enjoy the challenge.

Fashion and Beauty: You've been missing out on your beauty sleep. And don't forget to visit the dentist!

Romance: Your special intuition tells you when a boy is right for you.

With David: You're a very trusting person... and David would never betray that trust.

PISCES

(February 19th—March 20th)
Born under the sign of Pisces the Fish? Then you're a dreamy romantic... and possibly a trifle too sensitive and easily hurt.

Friends: Don't let petty quarrels upset you... skies will be blue again soon.

At Home: You're constantly re-

arranging the furniture in your room — just to see how it looks!

At School: You often day-dream when you should be listening to teacher. Practise your powers of concentration.

Fashion and Beauty: Your skin is probably quite delicate. Be sure to clean off any make-up before going to bed.

Romance: You're constantly "in love". Just don't let it interfere with the business of living.

With David: You'd probably go all shy... David likes to hear the sound of a girl's voice!
