

WHAT MAKES DAVID SO GREAT?

HIS HAIR...

Soft like a wave,
streaked like
the moon setting
across the sea.
Touch it - it
feels like gold

HIS EYES...

See his soul, the
sorrow and the pain,
the love and the
happiness of
his life.
David is yours...

HIS NOSE...

Long and strong
like the side
of a mountain.
Stroke it
with your
finger

HIS EARS...

Half hidden behind
his hair - the lobes
soft and white. Ears
like another world
on their own

HIS MOUTH...

Like a flower
hiding his
white teeth and
tongue - his
breath.
To kiss it
softly...

HIS CHEEKS...

Cup them in
the palm of your
hand, so you
can just feel
the hair of his
beard

**Summing up -
What more
can we say -
he's just...
GREAT!!**
