

Dear Friends in "Net" Land --

I am using this way of speaking, to you, to thank you for all your wonderful thoughts and support of me. You have no idea how much it has meant to me and to my family.

I have said it many times that without you (my fans) I would be pumpin' gas... or much worse.

I need your help now more than ever. I'm in a sort of war or battle every week at radio to get them to play my new single "NO BRIDGE," and the good news is that I am on the R+R charts at #30 this week!!
