

BEGINNING THIS MONTH! A FANTABULOUS NEW "MOVIE" FEATURE HERE IN DIG!

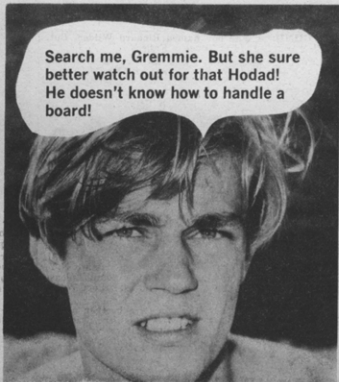

SURF CITY

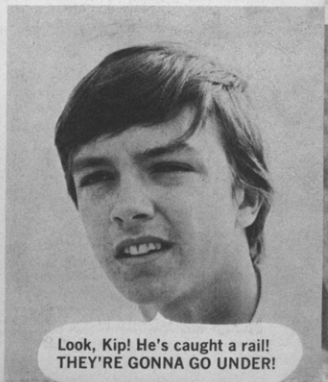

SUPER FAB! Starting this month in DIG, a continuing picture story **JUST LIKE A MOVIE!** It's the story of kids you'll love, shot on **LOCATION** in Malibu and Sunset Strip and Hollywood! This episode introduces a fantabulous surfer, **KIP**, and his groovy pal, **GREMMIE**. You'll also meet super-fink **LARRY** and **CINDY**, a dream doll from the East. Plus the whole gang of kids who've turned Malibu into **SURF CITY!** And now let's meet **GREMMIE** and **KIP** as they head for the surf. They've just arrived at Malibu in **GREMMIE'S** old station wagon. It's **GREMMIE** who opens our story:

Hey, Kip! Who's the new beach bunny? She's never been around **HERE** before.

Search me, Gremmie. But she sure better watch out for that Hodad! He doesn't know how to handle a board!

Look, Kip! He's caught a rail!
THEY'RE GONNA GO UNDER!
