JULIE, DO YA LOVE ME?

(As recorded by Bobby Sherman on Metromedia Records.)

Bein' alone at night makes me sad, girl.
Yeah, it brings me down all right,
Tossin' and turnin' and freezin' and
burnin',
And cryin' all through the night, yeah,
yeah.

(CHORUS)

Julie, Julie, Julie, do ya love me?
Julie, Julie, Julie, do you care?
Julie, Julie, are you thinkin' of me?
Julie, Julie, will ya still be there?

We had so much fun together,
And I was sure that you were mine.
But leavin' you, baby,
Is drivin' me crazy.
It's got me wondrin' all the time,
Yeah, yeah.

(REPEAT CHORUS)

Honey, you cried the day I left you,
Even though we both knew I couldn't stay.
But, baby, remember—
I'll be back in September.
But till then I'll write you everyday.
Yeah, yeah.

I THINK I LOVE YOU

(As recorded by The Partridge Family (David Cassidy singing lead) on Bell Records.)

I'm sleepin',
And right in the middle of a good dream
Like, all at once I wake up
From something that keeps knocking at
my brain.
Before I go insane—I hold my pillow to
my head
And spring up in my bed,
Screamin' out the words I dread,
"I think I love you."

This mornin' I woke up with
This feelin' I didn't know how to deal with.
And so I just decided to myself—
I'd hide it to myself
And never talk about it.
And did not go and shout it when
You walked into the room—
"I think I love you."

(CHORUS)

I think I love you,
So what am I so afraid of?

I'm afraid that I'm not sure of
A love there is no cure for.
I think I love you.
Isn't that what life is made of?
Tho it worries me to say that
I never felt this way!

I don't know what I'm up against.
I don't know what it's all about.
I got so much to figure out
Hey—

(REPEAT CHORUS)

Believe me, you really don't have to
worry!
I only wanna make you happy!
And if you say, "Hey, go away"—I will.
But I think better still I better
Stay around and love you.
Do you think I have a case?
Let me ask you to your face—
Do you think you love me?
I think I love you.
I think I love you.
