

LIGHT

by Kathryn Paulsen

Wes Stern, the new sensation in "Getting Together," has a very interesting hobby.

According to a recent co-star, handsome Bill Bixby is a top actor to work with.

both reported to be buying houses here . . . **JOHN KAY** of **STEPPEWOLF** won the yearly "boogeying contest" at the Whiskey. Congratulations, John!

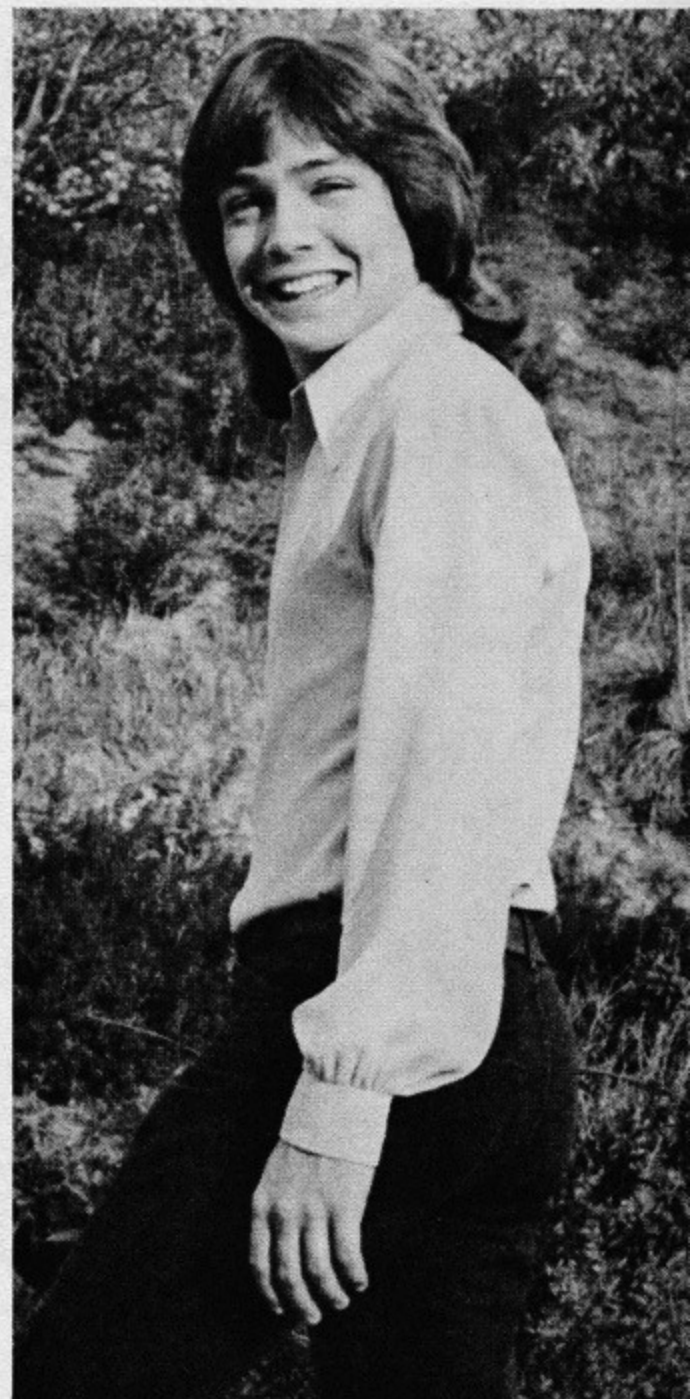

Watch for the ABC movie-of-the-week entitled "Congratulations, It's a Boy," with **BILL BIXBY** and **JUDY STRANGIS**. In it, Judy has what she describes as "my first real kissing scene" with Bill. Judy was naturally nervous about it, and asked him, "Bill, do they really kiss in movies, or do they just fake it?" But Bill was terrific and made it easy for her. "He was really friendly," Judy says, "so I wouldn't be uptight. And he'd kid with me a lot. When the time finally came, it was very natural."

Did you know that **WES STERN** is a big Mickey Mouse fan and has a fantastic collection of Mickey Mouse things, such as Mickey Mouse Club buttons, a Mickey Mouse Club lunch box with matching thermos, and Mickey Mouse comics? The gem of the collection, he says, is one of the first Silly Symphony books dating from 1933.

THE ROLLING STONES will be touring the States this fall, playing in major cities throughout the country. The Stones are now living mainly in the beautiful south of France . . . **HEADS, HANDS AND FEET** will also be on tour then . . . **MELANIE** is embarking on her second European tour of the year; the earlier one was a sell-out everywhere.

Ex-**JEFFERSON AIRPLANE** and **GRATEFUL DEAD** members are getting involved in other groups. **JERRY GARCIA** is in a new group with **TOM FOGERTY**, formerly of **CREEDENCE CLEARWATER REVIVAL**. The Dead are apparently still together, though; there are just fewer of them . . . **DAVID BALL** has replaced **ROBIN TROWER** as lead guitarist for **PROCOL HARUM**.

While doing some location shooting for her new TV series, "Shirley's World," **SHIRLEY MacLAINE** got caught up in the middle of a student demonstration in the streets of Toyko, Japan. One of the shows cameramen saw what was going on, turned the camera on her and got 25 minutes of film. The film came out so sensationally

David Cassidy looks as great as ever—now that he's gotten over his health problem.

they've decided to write a script around it.

SANDY DUNCAN, who you've probably seen in a lot of TV commercials before her starring role in "Funny Face," actually began her career as a dancer. Sandy still loves to dance, so she's had a ballet bar installed on stage 27 at Paramount studios. Now she can limber up between scenes of her series.

'Till next issue . . .
