

SUSAN & TELL ALL ON

DAVID CASSIDY

DANNY BONADUCE
BRIAN FORSTER

LISTEN . . . to secrets you never dreamed you'd hear. Listen . . . to the whole truth about your "Brady" and "Partridge" favs. Listen . . . while Maureen and Susan tell you all about David and Danny and Brian and Barry and Mike and Chris.

First of all, Susan will tell you that her Partridge "brothers" are three of her

very favorite people—and they're great to work with, besides. "David's a fantastic actor," she says. And she thinks Brian and Danny are terrifically talented, too.

But even though everyone works hard and does the best job possible, there are moments when something goes wrong, and the cast breaks up. Often,

Susan says, it's one of Danny's funny expressions or lines that does it.

For example, recently Susan and David and Danny were in a scene together, and one of Danny's lines was "Necessity is the mother of invention." Susan and David couldn't tell you exactly what it was—it wasn't that Danny was trying to make them laugh—but there
