

OF THE STARS

<p>DAVID CASSIDY Born: April 12, 1950 in: New York, N.Y.</p>	<p>David, 5'8", 125 lbs., is really on top of the world right now with his TV series doing so well and his fabulous recording career on the rise. But there's one thing he's missing for his life to be ideal. David sometimes wishes he was living in New York rather than Hollywood. It's his favorite place. But now he just has to be satisfied with occasional visits to the big city. Address: C/O Partridge Family, 6311 Yucca St., Hollywood, Calif. 90028</p>
<p>MIKE COLE Born: July 3, 1944 in: Madison, Wisc.</p>	<p>Mike's worked hard for the success he has today. He's happy that now he's able to achieve some long-time desires—like owning a sleek silver-gray Jaguar. But there's still one thing he's looking for and hasn't given up hope finding. That's his ideal girl. 5'11", 160 lbs. Mike know's when he finds her his life will be complete. Address: ABC-TV, 4151 Prospect Ave., Hollywood, Calif.</p>
<p>THE COWSILLS Bob Cowsill Born: Aug. 26, 1949 in: Portsmouth, Va.</p>	<p>Bob's 5'11" and 155 lbs. and he's probably the most outgoing and happy-go-lucky of all The Cowsills. He's always clowning around and is full of surprises. Now that he's married pretty Nanci Roberts, he's happier than ever. With his fabulous career, his own good nature and his lovely wife, Bob couldn't ask for anything more.</p>
<p>Paul Cowsill Born: Nov. 11 1951 in: Portsmouth, Va.</p>	<p>Though Paul loves entertaining now that he's really into it, he still remembers the good old days when he worked on the business end of the group and had lots of time for sports. Paul, 6'1", 150 lbs., loves football just as much as he loves show business. The ideal life for him would be a combination of both careers.</p>
<p>Barry Cowsill Born: Sept. 14, 1954 in: Newport, R.I.</p>	<p>Barry's 5'7", 140 lbs. and his interest leans toward science. If he could manage it, he'd like to spend as much time fooling around in a lab or reading science books as he does playing guitar and singing. Ideally, he'd like to become a scientist, but still be part of the singing Cowsills.</p>
<p>John Cowsill Born: March 2, 1956 in: Newport, R.I.</p>	<p>John's ideal life consists of a large family, lots of turkey dinners and a set of drums in every room of his house. 5'8", 140 lbs., John would also love to own his own private Apollo moon ship and maybe take weekend trips to the land of the craters. Address: Cowsill Productions, 9255 Sunset Blvd., Los Angeles, Calif. 90069</p>
<p>CREEDENCE CLEARWATER REVIVAL Doug Clifford Born: April 24, 1945 in: Palo Alto, Cal.</p>	<p>Drummer Doug has a second love far removed from the world of music. He really digs the outdoors and has a apedal interest in plant and animal life. It's 5'9", 150 lbs. Doug's dream to live in a rustic wooded area where he could study and learn all he wants about insect life and botany.</p>
<p>Stuart Cook Born: April 25, 1945 in: Oakland, Cal.</p>	<p>Stu, 5'11", 155 lbs., also digs the outdoors—but from a photographer's point of view. He'd like to live on a ranch with lots of horses, surrounded by lots of beautiful countryside he could capture with his camera.</p>
