

YOU'RE OFF for a star-studded trip to Houston, Texas, and a peek at *The Larry Kane Show*! Each and every week, host Larry Kane packs in lots of action and musical magic with teen dancers (left) and a line-up of guest stars that reads like a "Who's Who In Music!" Just about *everybody* passes through Houston and when they do—they *always* stop by KTRK-TV to appear on *The Larry Kane Show*. (Remember: the show is syndicated, which means it's on TV different days, times and channels all over the U.S. Be sure to check your local newspaper to find out when *The Larry Kane Show* is on in your home town.)

One of the really great things about *The Larry Kane Show* is that you not only get to hear your favs sing their hit discs, but Larry is *always* sure to sit them down for a long, groovy interview—just the way he did (right) when beautiful Bobby Sherman visited the show!!

things groovin' and movin' when they performed their smash MGM single **One Bad Apple**. They were great!

The mood turned romantic when handsome Rick Ely stopped by. That's only natural, cos all you have to do is hear Rick sing songs like his RCA single **Morning Girl**—and you can't help but sigh! Right?!
