

WHAT LOVE MEANS TO *Susan Dey*

Love is having a director who has a sense of humor—and laughs when you goof.

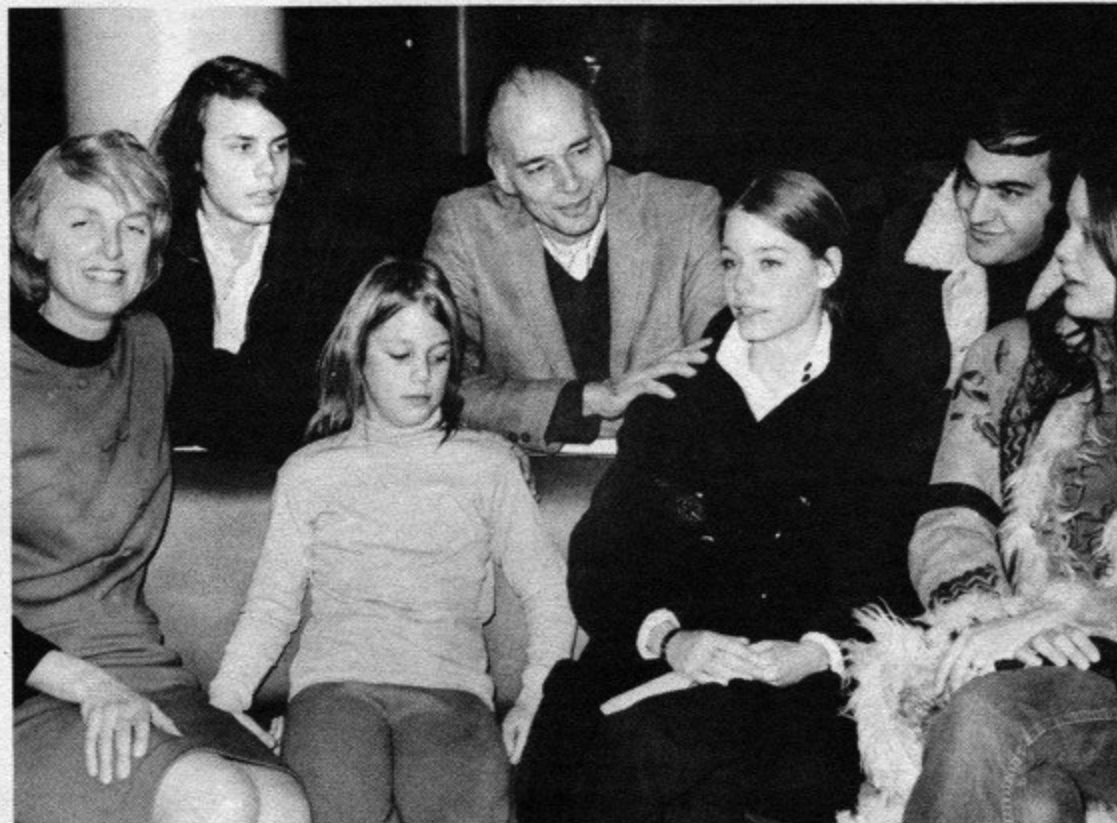

Love is making sure "Simone" gets on the bus—and that she has a seat.

Love is coming home on vacation after being away for a long time—and having your dad meet you at the airport.

Love is having a groovy younger brother who is taller than you are—and doesn't mind helping get your 64 luggage.

Love is knowing that your whole family—mom, Gail; brother, Tommy; little sister, Elisabeth; dad, Robert; brother-in-law, John and older sister, Leslie—loves you and misses you when you are away.
