

# YOU TALK TO DAVID CASSIDY

*Hi! This is my page. I'll be writing a special column right here in every issue of TEEN WORLD just for you. It's the place where we can get together and talk about what's happening with me and my friends from "The Partridge Family"—or anything else you want to talk about. I love to read your letters . . . and I hope you like to read my answers. So here are some of them . . .*

**Rhonda Greco of Oceanside, N.Y., writes:**

Dear David:

I really think you're great! Is there any chance that you'll be coming to New York in the very near future? I hope so.

I hope so, too, Rhonda. I was born in New York and it's still one of my favorite cities. I hope to get back there to see my friends and all the places I love during a break in filming. And there's a very strong possibility that I'll be touring the country, doing concerts and appearances, during the summer. If plans for that work out, New York will be a must-stop place on my list.

**Katherine Canodo of Roanoke, Va., sends this letter:**

Dear David:

I just love you. But could you please tell me if it's true that you're going to wait . . . *(continued on page 56)*
