

16 SPEC'S NINTH ANNUAL GOLD STAR AWARDS 1970

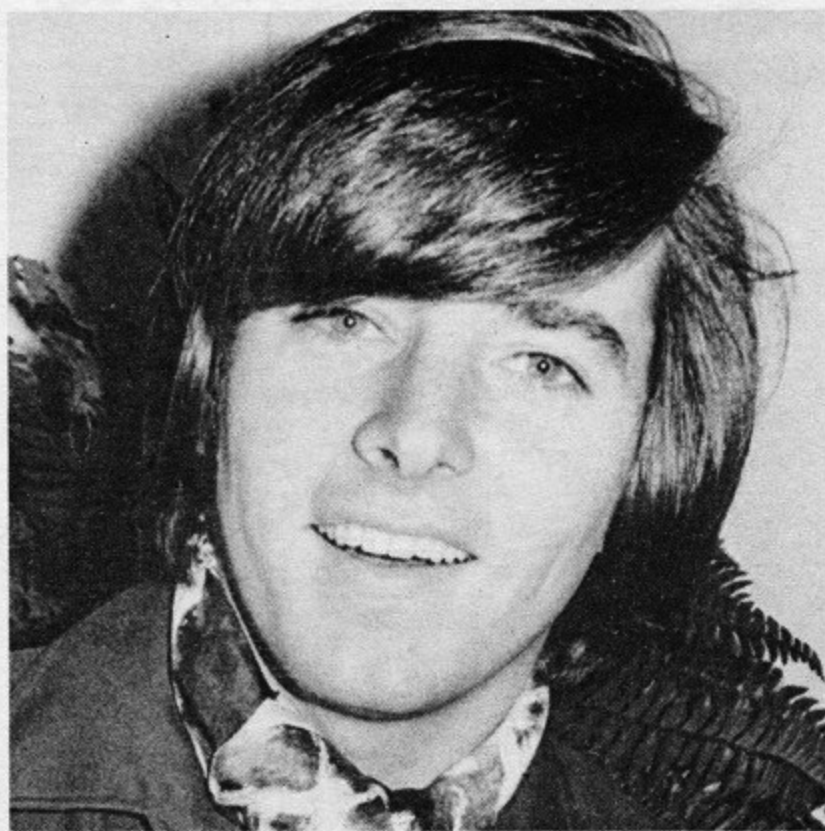

SOUND the trumpets, beat the drums, let the flags unfurl! Once again **16 SPEC** (and **16 Magazine**) presents its annual Gold Star Awards for popularity and outstanding achievements to young stars in television, movies and on records — and proudly singles out the two most popular performers of 1970 for the **GOLDEN GALAXY AWARDS!**

As always, the winners of these awards for popularity and extraordinary performances during the year 1970 — from January 1, 1970 through December 31, 1970 —

were chosen by **16** and **16 SPEC** readers. They were chosen by **YOU** in the millions of ballots and letters you mailed to **16** and **16 SPEC** throughout the whole year of 1970. **YOU** told us who your favorite young stars were in 1970 — and we tabulated each and every vote!

To each and every winner of the **Ninth Annual Gold Star Awards**, **16 SPEC** speaks for all of us in saying, "Congratulations and best wishes for a long and spectacular career!"
