## I'M ON MY WAY BACK HOME

Got on a silver plane and flew away.  
Chased all my rainbows to the end.  
I wish I knew then what I know today—  
I'm on my way back home again.

(CHORUS)  
Love—that's what's waiting for me,  
That's where I've gotta be—  
Just to look in your eyes, feel your lips  
touching mine.  
I'm on my way back home—gonna fly.  
On my way back home again.  
I'm on my way back home—gonna fly.  
I'm on my way—my way back home,  
I'm on my way back home to you.

I went to look for Mister Happiness,  
Only to find he wasn't in.  
Wouldn't you know I had the wrong  
address—  
I'm on my way back home again.

(REPEAT CHORUS)

I remember when you told me I'd return.  
You knew even then, something I had to  
learn.  
It's so far and yet it's right there where  
you live.  
It's something that you get only when you  
give and it's—

## SIDE TWO

## SUMMER DAYS

I feel the sunlight on my face  
When I just close my eyes, and I trace  
The footpath to you daddy's summer  
place  
Where we spent our early summer days,  
The hill we climbed that went on forever.  
We reached the top of the world together.

(CHORUS)  
Yeah—you gave your love to me,  
And I remember perfectly—  
High above all time and space,  
And I remember summer days—  
When you gave your love to me.  
And I remember perfectly—  
High above all time and space,  
And I remember summer days.

Come climb that hill again with me,  
Come live that love again with me.  
Baby, baby, baby, baby—  
Hold my hand and we'll be free—  
Said we'll be free.

END)

## I WOULD HAVE LOVED YOU ANYWAY

You know that I've been watching you for  
quite some time,

Tryin' to find a way of makin' you mine.  
Long before you started a comin' on  
strong with me  
With a super charm that brought me down  
to see.

Hey, didn't you know that you've been  
actin' like a movie star?  
And didn't you think I'd dig the person  
you are?

No, you never really had to put on all  
that show.  
I decided when I met you a long, long  
time ago—oh, oh—.

(CHORUS)  
I would have loved you anyway.  
I would have thought you were fine.  
I would have taken you any day.  
I still would try to make you mine.  
I would have loved you anyhow.  
I would have thought—you're okay.  
Just like I'm lovin' you here and now,  
Tellin' ya I'll never go away—go away.

So you never really had to put on all  
that show.  
I decided when I met you a long, long  
time ago—oh, oh—.

## TWENTY-FOUR HOURS A DAY

(FIRST VERSE)  
Twenty-four hours a day, girl.  
That's not the way I planned it.  
It would be you and it would be me, girl—  
Twenty-four hours a day—yeah,  
Twenty-four hours a day.

(CHORUS)  
My lover and my friend,  
My beginning and my end.  
Oh, I had a dream—  
What came in between us?

Twenty-four hours away, girl.  
Without you I am stranded.  
All that I knew was me lovin' you, girl—  
Twenty-four hours a day—yeah,  
Twenty-four hours a day.

And I know I loved you and you loved  
me too,  
But the temptation for more than me—  
For movin' on was there.  
You were like the sunshine—  
And sunshine comes and goes.  
How was I to know that I would stay,  
And you'd be the one to go?

AD LIB AND FADE TO END)

## I WOKE UP IN LOVE THIS MORNING

Last night I turned out the light, lay down  
and thought about you.

I thought about the way that it could be.  
Two o'clock, wonderin' what I'm doin'  
here alone without you,  
So I close my eyes and dream you here  
to me, and—

(CHORUS)  
I woke up in love this mornin',  
I woke up in love this mornin',  
Went to sleep with you on my mind.

(REPEAT CHORUS)  
Hello, girl, yes it's five o'clock, I know—  
But you just listen—  
There's something that I've got to let you  
know.

This is you—this pillow that I'm hugging  
and I'm kissing.  
And one more thing before I let you go—

(REPEAT CHORUS)

Do dreams come true?  
Well, if they do—I'll have you.  
Not for just a night, but for my whole  
life through.

(REPEAT CHORUS THREE TIMES AND  
FADE TO END)

## LOVE IS ALL THAT I EVER NEEDED

What did I want—well, I just didn't know.  
So each day I kept picking up and moving  
on  
From town to town.  
How did it feel—well, it felt so unreal  
To not know where you're gonna be—or  
what you'll see.  
What will I be? Then—

Just when I least expected,  
Well there she was—  
And I found me.  
And one night of holding you  
Showed me what I had to see,  
Made me want more than me.

(CHORUS)  
Love is all that I ever needed,  
It's time I opened up to greet it.  
Ever since you looked at me,  
That's all it took to see.  
Love is all that I needed (all I ever  
needed).

Having you here and holding you near,  
Well there's nothing that I'd rather do—  
than be with you.  
I like what you do.  
I know what I've seen—and there's no  
in between.  
With you I've got a home and there's no  
moving on  
From town to town—oh—

Just when I least expected,  
Well there she was—  
And I found me.  
And one night of holding you  
Showed me what I had to see,  
Made me want more than me.
