This new west coast group, Dyna-Might, should be sweeping the east very soon now, too.

Brothers lot where the group performed for the press and selected guests. Curved Air consists of four male musicians and a beautiful female lead singer. They record for Warner Brothers Records and look like they have quite a career in front of them.

OLIVIA HUSSEY really played the field before finally tying the knot.

England's still sending us some fantastic music-makers. One of the latest is Curved Air.

Danny Hutton's very happy with the success of Three Dog Night's "Joy To The World."

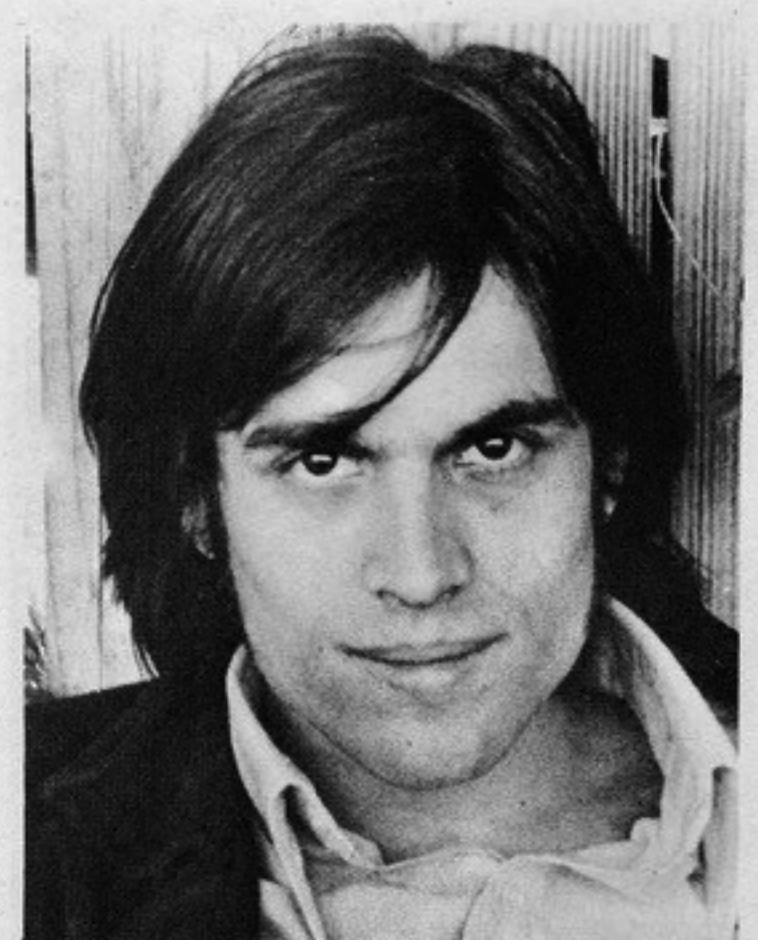

DAVID HOLMES, the handsome new star who's due to appear on "The Dick Van Dyke Show" next season, has just been signed by Paramount studios to co-star in a new movie called "Short Horn Gentry." He'll play the son of **ROBERT REDFORD** and **FAYE DUNAWAY**. David's presently appearing as Linus in a Los Angeles stage production of "You're a Good Man Charlie Brown."

Be sure to catch **MICKEY DOLENZ** in his latest flick, "Keep Off My Grass." His performance is really far out. Mickey's keeping himself pretty busy these days taping the voice of Delbert in

a new Hannah-Barbera cartoon series, "Funky Phanthom."

DAVID CASSIDY recently held a big birthday bash for his friend and roommate **SAM HYMAN**. Watch for Sam to make his own move as a star. Sam's a very fine actor, and with the following he's acquired through David, he's received numerous offerings.

HUMBLE PIE is so hot, not too long ago they actually burnt down Whiskey A Go-Go! The following week, **CURVED AIR**, an incredible new group from England, was scheduled to appear at the famous club. Immediately, a set was constructed for them on the Warner

Eric Anderson, a newcomer to the world of music, is starting to get a lot of attention.
