

You Tell Us!

FAN FOR LIFE

I think TEEN WORLD is the grooviest magazine on the newsstands today! I love it because it's filled with so many outasite stories and pix of people like Bobby, Susan, David and The Osmonds. Believe it or not, my grandmother digs it, too! please keep up the good work, print more stories like "Please Love Me" by David, (February issue), and I'll be a fan for life!

STAR GAZER

I wish you'd put more pin ups of that adorable Donny Osmond in your magazine. My walls are just covered with Donny posters, but I still want more. I could stare at Donny for hours and never get bored!

Susan Maurey, Altoona, Pa.

KNOW IT ALL

The first time I saw a photo of David Holmes in TEEN WORLD, I really flipped. He's just sensational looking! Please, please, print more on him so I could find out everything there is to know!

TESTING

I really dig Pete Duel and Ben Murphy. I took their "Love Tests" that were in the February issue of TEEN WORLD to see if I was the kind of girl they liked—and I got a really high score! Maybe I'll never get to meet them in person or date them, but it's nice to know that they'd like me, even a little, if we were friends. Thanks so much for printing the test.

Elizabeth Morgan, Boston, Mass.

REAL DREAMBOAT

I want to tell you one thing—I'm crazy about Jay Osmond. No matter what, he'll always be number one with me. He's a real dreamboat!

Alice Firlein, Chester, Pa.

CONVINCED

I've never met Bobby Sherman, but I know he's a groovy guy. For one thing, he really cares about his fans. No matter what, he never lets them down. And that's why I'm one of his biggest admirers.

Vicki S., Paramount, Calif.

A PROMISE

Everytime I think of the Jackson Five, my heart skips a beat. Please keep printing more stories on and more pin ups of these fantastic guys and I'll keep smiling!

Brenda Flory, Memphis, Tenn.

EDITOR'S NOTE: We aim to please Brenda, you'll find Michael, Marlon, Jermaine, Tito and Jackie on page 20

OSMOND'S NEWEST

The reason I like reading TEEN WORLD so much is the fact that you always feature new and upcoming stars. The newcomer I like best right now is Jimmy Osmond. I really think he's adorable and I hope you continue to print stories and pix on him. If he's as good as his brothers, in my book that means he's great!

Diana Weymouth, Sarasota, Fla.

WRITE ON

Please don't stop putting the stars' addresses at the ends of their stories. It's the most fabulous idea TEEN WORLD's ever had! I know I like to write to the stars I love best, and I'm sure there are thousands and millions of other kids who like to do the same. It's really easy to do when the addresses are right there in the magazine with the stories. Don't stop!
