Dear FaVE,

In your March 1972 FaVE on page 66 there's a color picture of Bobby Sherman and it looks like he's wearing a wedding ring. Is he? And if so, why hasn't he said anything?

C. A.
Canoga Park, Calif.

Dear C. A.,

No matter what it looks like, Bobby is not wearing a wedding ring. He is still single and very available.

Dear FaVE,

In the May issue of FaVE in FaVE Flashes it said Karen Crane and Donny Osmond were going to be brother and sister in some movie. Is this true? Maybe I didn't understand it.

Karen Lerner
Denver, Colorado

Dear Karen,

The movie is a television special called "The Real World of Make-Believe" about the way children act in an adult world. The column said nothing about brother and sister but that the *children* will be played by Donny Osmond and Karen Crane (who incidentally is the daughter of actor Bob Crane).

Dear FaVE,

Is it true that the Osmond Brothers' real last name is Osmondoe? If so, why don't they call themselves by their real names?

Patricia McCormick
Kearny, N.J.

Dear Patricia,

Nope! The Osmonds' real last has always been Osmond.

Dear FaVE,

I've heard that Brian Forster is going to be replaced on "The Partridge Family" show and that's one of the show's plans to keep bringing in a new guy to play Chris every year! Oh no! I love Brian as Chris Partridge and couldn't stand it if anybody else tried to take his place!

Missy Colgate
Compton, Ca.

Dear Missy,

Rest easy—Brian is not going to be replaced and there are no such plans to bring in a new Chris Partridge every year! That's just another one of those silly rumors that get started who knows where!

Dear FaVE,

I've really been getting into astrology lately and I was wondering what sign David Cassidy is? My friend says he's Taurus because his birthday's in April, but he doesn't fit the characteristics unless we never see the real David. Can you please help me?

R. M. Williamson
Wisconsin Rapids, Wisc.

Dear R.,

Sure thing! Taurus dates are April 20-May 20 and Aries are March 21-April 20. This makes David an Aries whose characteristics are: adventurous, determined and romantic. We're sure you'll agree that that sounds more like the David Cassidy we all know!

Dear FaVE,

I am an Osmond fan. Could you tell me when Donny's birthday is and

what kind of girl he likes? Thanks a lot!

Marcie Majors
Honolulu, Hawaii

Dear Marcie,

Donny was born on December 9, 1957. Donny likes a girl to be friendly, happy and real.

Dear FaVE,

I watch the Partridge Family all the time and think it's fantastic. Susan Dey looks so thin and tall, could you tell me her height and weight if at all possible? I think she's gorgeous but I'm just curious.

Alice Belden
Zillah, Washington

Dear Alice,

Being gorgeous, thin and tall is what helped Susan first become a model and then a star. Her height is 5'7" and her weight is 95 lbs.

Dear FaVE,

I am crazy over Chris Knight and want to find out if he'll be my pen pal? Is there any place I can write him to find out? I've just got to know!

Jean Gainer
Yoakum, Texas

Dear Jean,

To get your letters to Chris write to Paramount Studios, 5451 Marathon Street, Los Angeles, California 90038.

Dear FaVE,

I buy FaVE every month but sometimes it's all sold out in a lot of the places near my house. Can I subscribe and get it in the mail?
