

HOLLYWOOD RUMORS

CONTINUED FROM PAGE 11

Dear Shirley,

Okay, here goes: Sigmund Esco Jackson—May 4, 1951; Toriano Adaryll Jackson—October 15, 1953; Jermaine Lajuane Jackson—December 11, 1954; Marlon David Jackson—March 12, 1958 and Michael Joe Jackson—August 29, 1959. That should straighten it all out.

Dear FaVE,

I watched "Bobby Jo and the Big Apple Good Time Band." Of course the reason was because of that good-lookin' Michael Gray and he was super! The reason I'm writing is because I was curious about who played Bobby Jo. She sure looked familiar. Can you help me out?

Ellen Simmons
Syracuse, New York

Dear Ellen,

The part of Bobby Jo was played by Season Hubley and the reason she looks familiar is probably because you saw her in one or more of the numerous modeling jobs she's done.

Dear FaVE,

Mitch Vogel sure is something else on "Bonanza" and I was wondering if he sings too?

Mary Livingstone
Chicago, Illinois

Dear FaVE,

I watch the "Brady Bunch" all the time and I think Barry Williams is the greatest thing that ever happened. Can you give me the low-down on his birthday, where he was born, how tall is he, what color are his eyes? I would really appreciate it. Thanks.

Natalie Porth
Oakhurst, New Jersey

Dear Natalie,

Here's the scoop. Barry was born in Santa Monica, California, on September 30, 1954. He is 5'9½" tall with blue eyes.

Dear FaVE,

I think Darby Hinton who plays Daniel Boone's son on TV is really dreamy. I would like to know something about his real life family if you can help me.

Marilyn Monash
Painted Post, New York

Dear Marilyn,

Be glad to help you out. Darby was born August 19, 1957 in Santa Monica, California, to Edgar and Marilyn Hinton. His father, a film actor, was killed in a plane crash off Catalina Island when Darby was one year old. He has two older sisters, Daryn and Darcy, who have been featured in films and TV dramas.

Dear FaVE,

Does Bobby Sherman have a sister who's married?

Betty Wells
Raleigh, North Carolina

Dear Betty,

Yes, Bobby's married sister, Darlene Mack, lives in Maryland with her husband and four children—one of them is Bobby's godchild!

Dear FaVE,

I was reading this magazine and it said that Jack Cassidy and Shirley Jones were getting divorced because Shirley said something about David that made Jack very jealous.

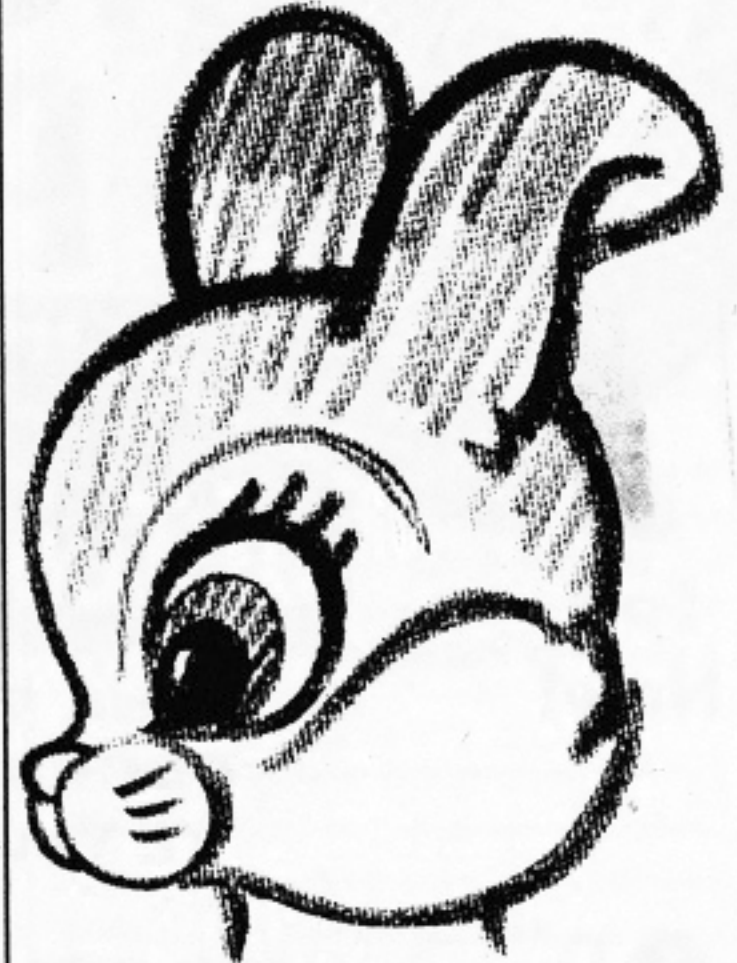

Grace Cabrera
Coral Gables, Fla.

Dear Grace,

So far, the only two people who know the true reasons behind the Cassidys' separation are Jack and Shirley—and they aren't talking! Everyone hopes that they iron out their problems and get back together.
