Dear Mary,

Yes, Mitch has a group now called "The Sundowners" and they made their debut performance at Mitch's 16th birthday party recently.

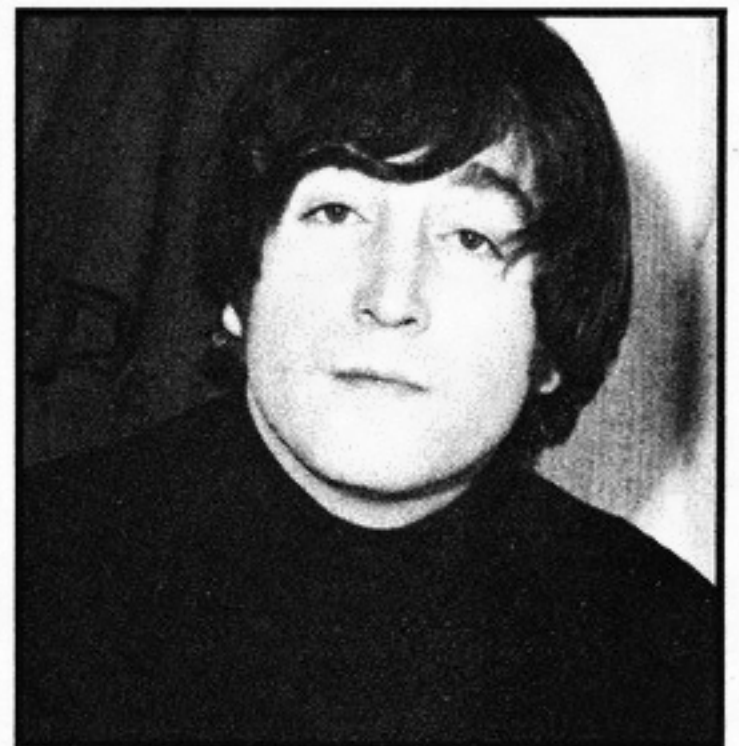

Dear FaVE,

My girlfriend told me David Cassidy was robbed of everything he owned. Is this true? Is David broke now?

Sally Bockingham
Oglesby, Illinois

Dear Sally,

David did get robbed in Rome but they did not take everything he owned. The items missing were in his camper truck; his international driver's license, passport and \$960 worth of traveler's checks. David Cassidy is far from broke.

Dear FaVE,

What is that adorable Lou Gosset doing now? I think he's so talented that he should be on another TV series. "Skin Game" was great but it's not the same as seeing him every week or something. Any chance?

Cindy Jackson
Buffalo, New York

Dear Cindy,

Yes, Lou has just been signed by CBS for another series called "The Living End." Lou plays a football hero and the show will be filmed before a real audience.
