We can't think of a better way to feature this month's fabulous FaVE wish than by granting TERRY HART's request for something from Butch Patrick! Butch was delighted to help us with our plans, and offered to send

Terry a beautiful twin-speaker, triple-band portable radio! Terry is undoubtedly on cloud nine now, and we can't blame her one bit! If you have a wish, no matter what it may be, hurry and send it in! The sooner, the better!
