

We Tell You!

STAR IN THE SKY

I would like to know how old David Cassidy is. Also, what is his zodiac sign? I hope it's Libra because that's what I am! Is there a subscription to TEEN WORLD?

Grace Jones, Rosenberg, Texas

Dear Grace:

David celebrated his 22nd birthday on April 12, which makes him an Aries. Don't worry about being a Libran—David likes all sweet girls! Subscription rates for TEEN WORLD are \$4.00 for 12 issues. Write to Teen World Subscription Dep't., 235 Park Avenue So., New York, New York 10003.

JACKSON FACTS

I would like to know if the Jackson 5 are really brothers?

Douglas Bean, Port Monmouth, N.J.

Dear Douglas:

Yes, they are brothers.

BOBBY'S KIN

Does Bobby Sherman have a sister? Also, how old is he?

Judy Wilkinson (no address)

Dear Judy:

Bobby has an older sister, Mrs. Darlene Mack, who lives near Baltimore with her husband and children. Bobby will be 26 on July 22nd.

ROMANCE AT LARGE

I would like to know if David Cassidy likes Susan Dey. Please tell me if they like each other because I think they make a cute couple.

Kelly Frye, Greensboro, N.C.

Dear Kelly:

Yes, they do like each other—but as friends, not romantically. When the series first started, they dated once or twice. But they decided that it would be better for their work if they just remained pals. Hope this clears it up for you.
