CHERISH

(As recorded by David Cassidy on Bell Records.)

(FIRST VERSE)

Cherish is the word I use to describe
All the feeling that I have hiding here
for you inside.
You don't know how many times I've wished
that I had told you,
You don't know how many times I've wished
that I could hold you,
You don't know how many times I've wished
that I could mold you
Into someone who could cherish me as much
as I cherish you.

Perish is the word that more than applies
To the hope in my heart each time I realize
That I am not gonna be the one to share
your dreams,
That I am not gonna be the one to share
your schemes,
That I am not gonna be the one to share what
seems to be the life that you could
cherish as much as I do yours.

Oh, I'm beginning to think that man has
never found
The words that could make you want me
That have the right amount of letters—
Just the right sound—
That could make you hear—make you see
That you are driving me out of my mind.

Oh, I could say I need you,
But then you'd realize that I want you
Just like a thousand other guys
Who say they loved you with all the rest
of their lies,
When all they wanted was to touch
your face—your hand,
And gaze into your eyes.

(REPEAT FIRST VERSE)

And I do—cherish you.
Oh, and I do—I cherish you.
Yes, I do—I cherish you.
Oh, and I do—cherish you.

ALL I WANT TO DO IS TOUCH YOU

(As recorded by David Cassidy on Bell Records.)

I don't want to tie you down,
I just want to know that you're nearby.
No, you don't have to hung around—
But if you're thinkin' about leavin' me—just try.

I don't want to make you say that
you love me,
It really doesn't have to be that way.

(CHORUS)

All I want to do is touch you,
And baby, feel you touchin' me.
All I want to do is touch you,
And say goodnight and kiss you tenderly.

I don't know what's gonna be,
But God I know I need you right now.
And tonight might be tomorrow's memory,
But let's not go decidin' that right now.
I don't want to have to say that I love you,
When I'm not sure I really feel that way.

(REPEAT CHORUS)

I don't want to have to say that I love you,
When I'm not sure I really feel that way.

(REPEAT CHORUS TWICE AND FADE TO END)
