MORE OSMONDS

I really dig your magazine—especially when you have stories on The Osmond Brothers. I really dig them, too. So please print more stories and pin-ups of them—especially Donny. Thank you for your time.

Patty Pacheco, Larchmont, N.Y.

WANTED: LEE MAJORS

I absolutely love Lee Majors. Please put something about him in your magazine. Be the first teen magazine to print the facts on Lee!

Debbie Rau, Belleville, Ill.

MILLIONS AGREE

I read your magazine all the time and I really enjoy it. Your pin-ups of Chad Everett are especially great—and I know millions of people agree with me on that. So keep them up because Chad is super!

Cindy Haight, N. Hollywood, Calif.
EDITOR'S NOTE: We're really glad you enjoy TEEN WORLD, Cindy, and we hope you like the pin-up of Chad on page 23.

A JACKSON LOVER

The Jackson Five are the best things that ever happened to TEEN WORLD. But you still don't print enough on them. I'm madly in love with Tito Jackson and I hope to see him in every issue of your magazine.

Cheryl Jernigan, Dallas, Texas
EDITOR'S NOTE: All Tito-lovers can rejoice, Cheryl. Just turn to page 18 and

look at some fantastic shots of him and his brothers in concert.

A NEW READER

My sister's girlfriend brought over a copy of TEEN WORLD and I just loved it. Keep up the good work. From now on I'm getting every issue.

Cathy Brownlee, Xenia, Ohio

MUCH IN COMMON

I think Del Russel is the cutest guy in the world. We have a lot in common, too. For one thing, his birthday is the day after mine. I also love Italy, and so does he. So, please print more on him.

(no name), Baltimore, Md.

A SMALL REQUEST

You have a really terrific magazine, and you write about some really great stars, but I have one small request. Could you please print more on David Holmes and maybe have some pin-ups on him? I think he's really super.

Tammy Joy Cully, Hopwood, Pa.

PRINT MORE

Suzanne Crough is a very good actress and I really dig her. Please print more articles on her.

Denis Culhane, Rochester, N.Y.
