7. answer—b. Like most guys, Ben enjoys being thanked at the end of a date. And you can put him on top of the world with those two little words—thank you.

8. answer—c. Since Ben really digs engaging in a stimulating conversation, a good way to hold his interest is by keeping abreast of all the important events and happenings in the world of literature, art, sports, etc. In other words, if you're an aware and concerned person, he'll be turned on by and tuned in to you.
