

So many girls say they love David Cassidy!
But if they were to meet him face to face,
they'd blush and their tongues would be

tied into ten thousand embarrassed knots!
Well STAR Mag wants to test your bravery
as we double-triple dare you to...

Take A Shower With David!

After appearing onstage for almost an hour,
performing at the incredible pace he does, Dav-
id looks forward to a refreshing date with the
soap and shower!

Can you guess David's favorite soap? If so, send him a bar! Scratch a secret message to him on it! We'll see that he gets it personally and publish pix in STAR! He may shower with *your* soap! Mail soap to: STAR MAG'S SECRET DAVID SOAP MESSAGE, c/o STAR Magazine, 8490 Sunset Strip, Hollywood, California 90028!
