

Here's David with Cyrus on the back steps of "Uncle Tom's Cabin!" Cyrus has a new lp out on Elektra that David really digs! Hear it!

on, except for the times Cyrus and Renais took David to visit some famous places in Hawaii, David and Spiffy were always together!

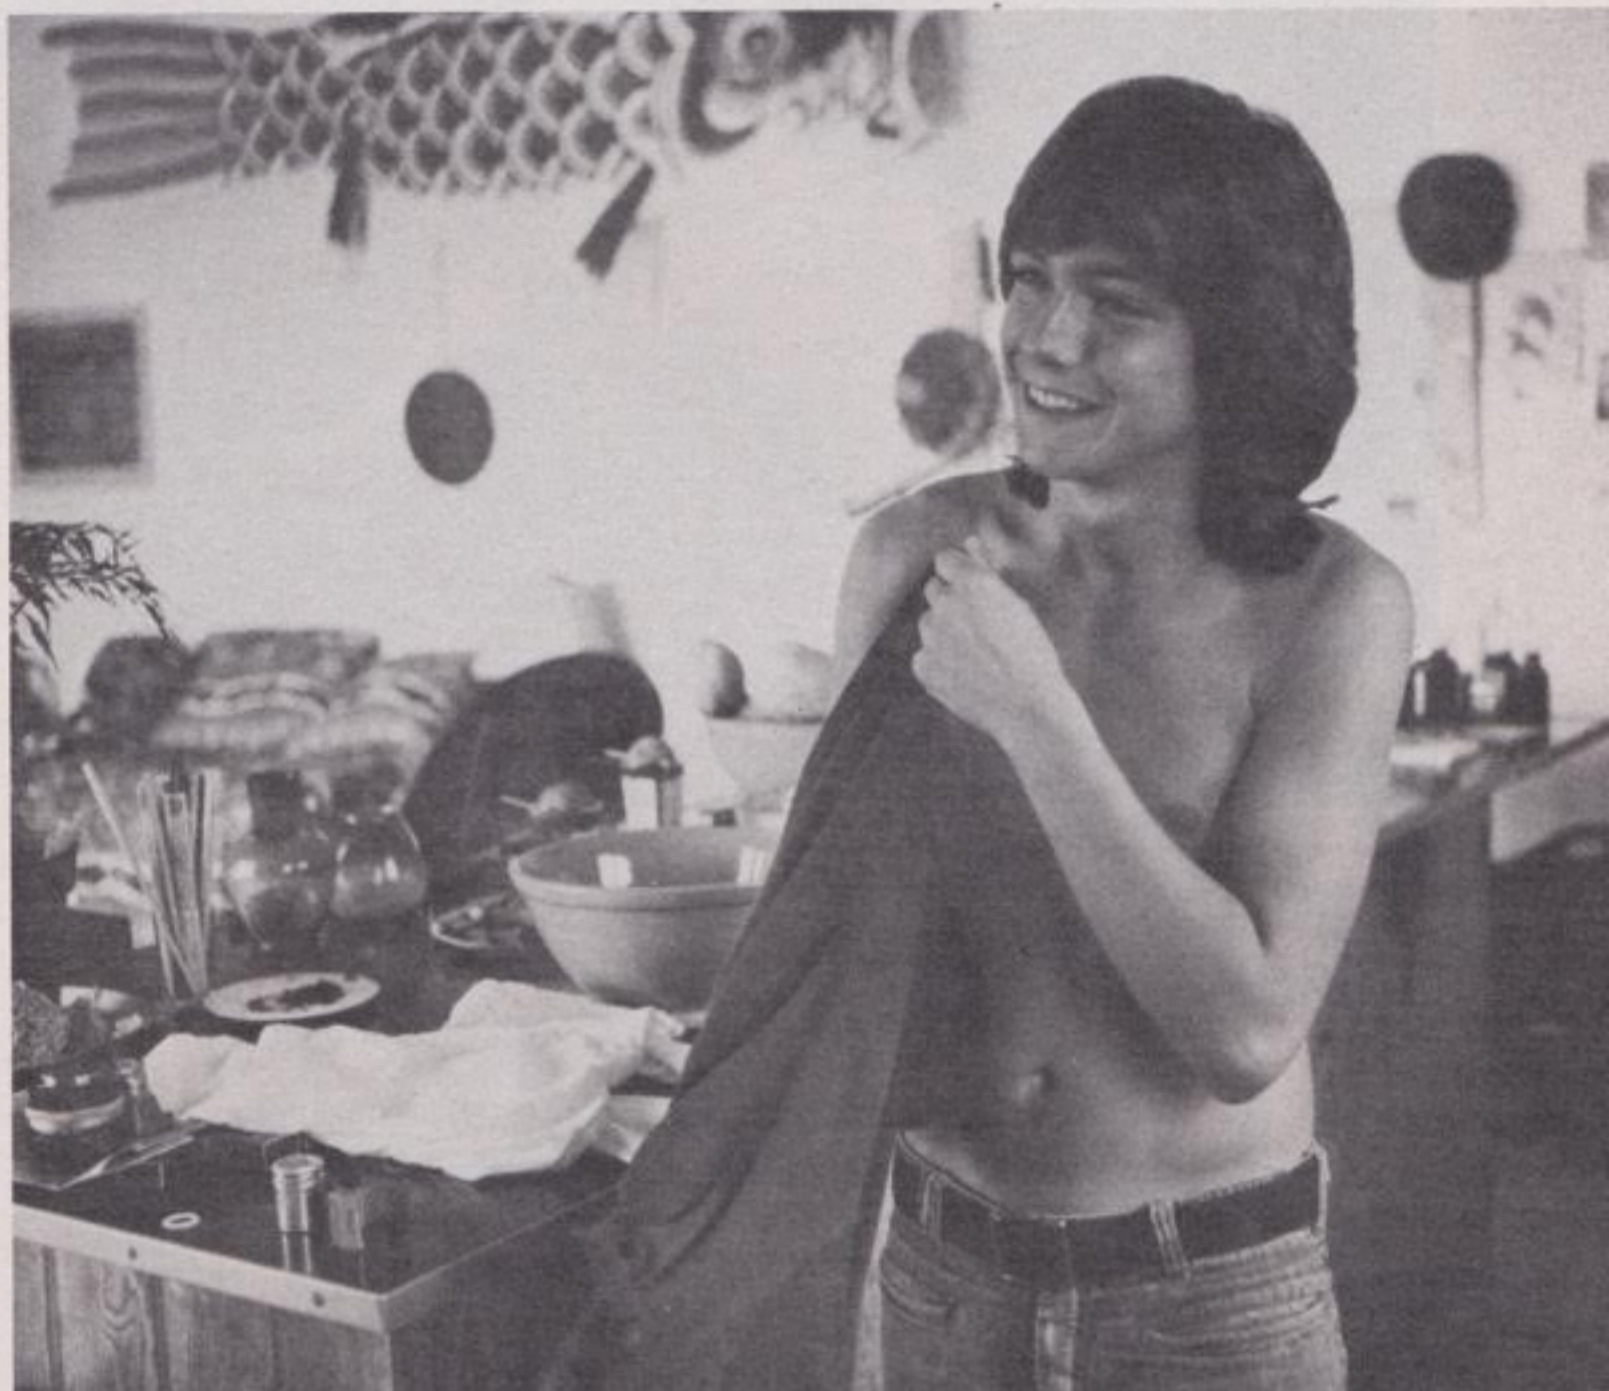

#### DAVID AND SPIFFY'S LOVE!

By the third day they were together, both David and Spiffy knew they wanted to be together always.

on this mission of hope, David did not know that Spiffy was Leilani's dog!

#### DAVID'S FEARS ARE TRUE!

Leilani was in the kitchen helping her mother. Cyrus asked Mrs. Kamane whether David could buy Spiffy. Mrs. Kamane thought deeply

This is inside Uncle Tom's beach cabin where David, Henry, Cyrus, and Renais stayed! The cabin's really roomy and comfortable. Hawaiian Trade Winds blew through so warm at night David could sleep comfortably without a shirt!

David saw Leilani look up from the bowl of papayas she was preparing as a gift to David for his breakfast. He noticed that tears were coming to her eyes. Bravely, Leilani said, "Of course, David, take him with you when you go."

#### DAVID AND LEILANI'S HEARTBREAK!

But now there were tears in David's eyes, too. And even though Leilani was very sincere, David, being so super sensitive to other people's feelings as he is, saw that behind Leilani's brave smile, her heart was beginning to break. David saw the tears in her eyes and he realized how
