Keep your eye out for two of this flick's stars—**Stephen Hudis** (for a color pic of this doll, see page 67) and **Sean Kelly**. **Stephen** recently appeared on a CBS-TV *Cannon* episode, and sumptuous **Sean Kelly** was on one of your fav TV shows—*Marcus Welby, M.D.* Both of these cuties will be around for quite awhile!

NEW RELEASES: Sci-fi freaks and spook-e spouses, the sparklers for you are just grand! A.I.P.'s *Dr. Jekyll And Sister Hyde*, starring **Ralph Bates** and **Martine Beswick**, and *The Frogs*, starring **Nicholas Cortland** are two terrifyingly terrif flicks coming your way any scary minute! . . . Boob-tubers who frequent the silver screen—this month's **Mystery Pic** is for you! Peek-a-boo at this cuddly cowpoke—as he recently appeared in *A Cowboy & His Girl* (a Universal short subject). Does he look familiar?! He was in a super-successful ABC-TV series that ran for ten years and was one of the most popular shows ever to go into syndicated re-runs. Who is he? What was the name of the show? And what part did he play on the series—the name of his character? The **first five correct answers** sent to Movie Mystery Pic, *SPEC Magazine*, 745 Fifth Avenue, New York, N.Y. 10022, will get a surprise gift and a **free, full year's** subscription to *SPEC* and *16!* But **all of you** will get to see this groovy guy in Playboy Productions' *The Naked Ape*, which calls for him to play 20 different roles! The lady pictured with him here is **Kris Nelson**—**Rick Nelson's** wife.

—his lovely wife of three years!!

Warner Brothers' *Summer of '42* sequel will be *Class Of '44*. And gorgeous **Gary Grimes** will again play the lead. . . . Jolly **Johnny Whitaker**, currently in Disney's *The Biscuit Eater*, is working on another Disney flick, *Chateau Bon Vivant*, also starring mighty **Michael McGreevey**. Hope you caught **Johnny** in the CBS-TV movie *Something Evil*. He was so riddlingly realistic that the director of the flick is trying to get him an Emmy nomination. . . . **James Brolin** of *Marcus Welby, M.D.* and his wife, Jane, are the proud parents of their second son, born February 7 at St. John's Hospital—the very place where Drs. Kiley and Welby are seen weekly on your telly!

Kris Tabori is proving to be a truly excellent and sensitive actor. The CBS-TV movie *The Glass House*, in which **Kris** portrayed a young prisoner, was so extraordinary that CBS execs plan to re-run it within months. The director, **Tom Gries**—who guided **Kris** to his stunning performance in GSF's *Journey Through Rosebud*—also directed *The Glass House*. Meanwhile, **Kris** has just completed Shakespeare's *Romeo And Juliet* in Buffalo—and he's hoping it will open soon in New York!

Oh, shucks—dolly **David Cassidy** ducked out of doing *The David Frost Show* at the last minute! Seems the format for your boy **David's** *David Frost* segment was a little too far-out and "adult" for America's teen king. S'okay with us, cos we can still catch our **David** on ABC's *PF* every Friday night anyhow!

Whew—thought we'd space out before the finish line! See ya' next time!!
