Just about everybody passes through Houston and when they do—they *always* stop at KTRK-TV to appear on *The Larry Kane Show*. (Remember: the show is syndicated, which means it's on TV on different days, times and channels all over the U.S. Be sure to check *your* local newspaper to find out when *The Larry Kane Show* is on in your home town.) Now, come along and join the fun with handsome Larry and his guests!!

When B.J. Thomas visited Larry late last November, he had a blast at Houston's famous Astroland amusement park—and everyone loved it when B.J. performed his new Scepter single **Mighty Clouds Of Joy**.

The pace grew even livelier when Larry was visited by the Nitty Gritty Dirt Band! They not only treated everyone to a performance of their new single **House At Pooh Corner**, but also sang their oft-requested rendition of their smash hit **Mr. Bojangles!**

Time out for a serious discussion back at the studio with exciting singer Ron Dante (left) and producer Jeff Barry (right). Looks like a thought-provoking talk—but then Larry Kane is known for being a super-good host!

One of the brightest highlights of *The Larry Kane Show* came a while back when **Partridge Family** star David Cassidy popped up to chat with Larry about his record career—and to treat everyone to a hit tune or two!
