## ROCK ME BABY

(As recorded by David Cassidy on Bell Records.)

*You may call me a rollin' stone,  
I'm a free-born man—  
And I stand alone!  
I come a-lookin' for a little satisfaction!  
I don't drive no Cadillac,  
All I got's hangin' on my back—  
But I do believe in physical attraction!  
I can warm your coldest night,  
I'll make everything alright, woman!*

(CHORUS)

*Oo-oo, rock me, baby,  
Let me feel that beat,  
I said, "Oo-oo, rock me, baby—  
Right down to my feet!"  
Hold me oh-so tight,  
I said, "Oo-oo, rock me, baby,  
All through the night!"  
You better hold me while you can,  
Or you're gonna lose your midnite man!  
Now come on and rock me, rock me!*

*I was twelve when I left home,  
Ever since I been on my own.  
I come for a little recreation,  
Guess I'll never settle down,  
It's always been just one more town.  
Oh, I roam from coast to coast across  
the nation.  
I can't promise I'll be true—  
But I'll see just what I can do!*

(REPEAT CHORUS)

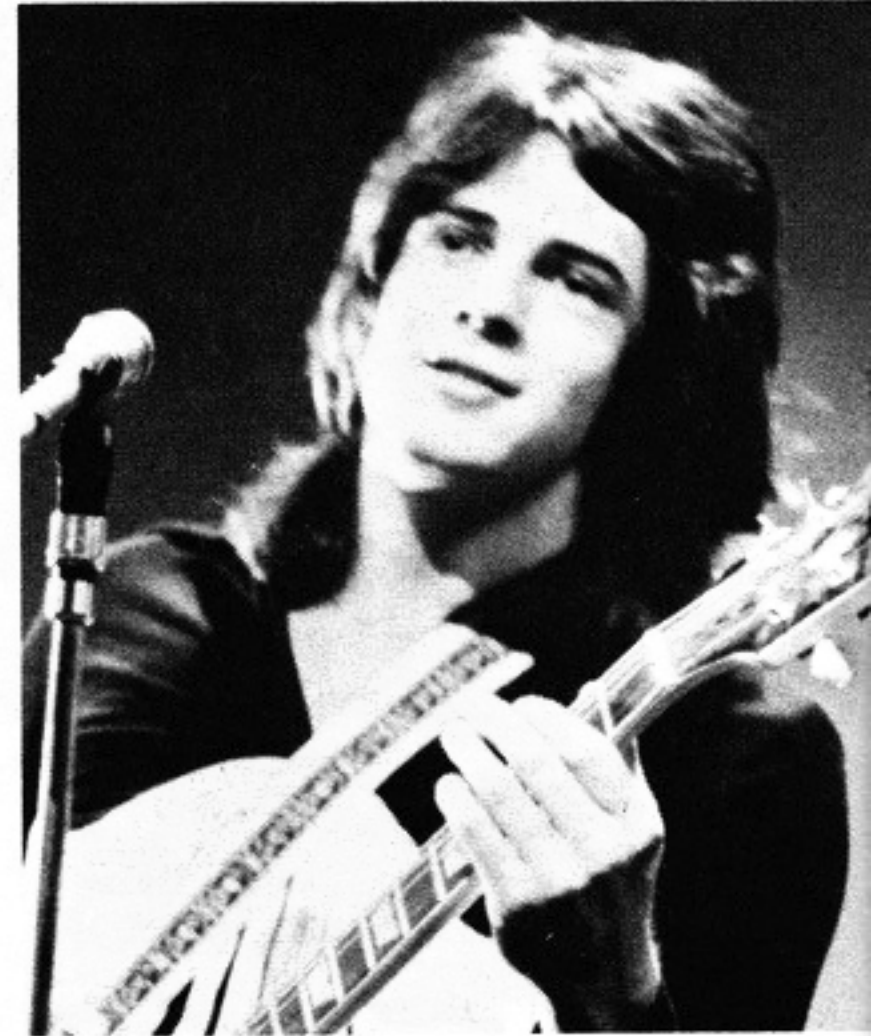

(DAVID SPEAKS—)

*Come on and rock me,  
Come on and shock me!  
Alright, now, roll me!  
Come on, squeeze me,  
Oo-oo, you sure can please me!  
Um, um, alright now—get down!*

(REPEAT CHORUS TWICE

AND FADE TO END)

## SPEAK TO THE SKY

(As recorded by Rick Springfield on Capitol Records.)

(FIRST VERSE)

*Speak to the sky whenever things go wrong,  
And you'll know you're not talking  
to the air—to the air,  
And the world will look better from up there!  
Speak to the sky cos things can get you down,  
And you'll know when you're talking  
to the Lord—to the Lord,  
The world will look better than before!*

(CHORUS)

*And if I stumble and it seems that I am blind,  
Or if the road I'm on seems awful hard to find,  
And 'tho my conversation doesn't always rhyme—  
I always try to find some time—  
To speak to the sky and tell you how I feel,  
And you know sometimes what I say ain't right—  
It's all right,  
Cos I speak to the sky every night! Oh!*

(REPEAT CHORUS)

(REPEAT FIRST VERSE)

*And the world will look better from up there!*
