

SOFT AS A SUMMER SHOWER

by Adam Miller

I've waited all my life for you
You're the love I was destined to
The good friend that I never knew—
Until you.

I felt that I might fall apart
Until you took me into your heart
And I knew right, right from the start
We'd get on just fine and you came
Just in time.

Soft as a summer shower
You fell on my thirsty life
And in the darkest hour
You came and you showed me life.

We loved and we've both been hurt
But promise me that you won't desert
'Cause this time it's just, just got to work
I feel it inside, leave your heart open wide.
And repeat

(OH NO) NO WAY

by W. Farrell/Johnny Cymbal/Peggy Clinger

You are my morning sunshine
You keep my mind from sleepin' all day,
Baby, thank you for the love
You gave me

The cloud my life was under
Brought only rain and thunder
My way, baby, lonely was a word
I once knew, but that was long
Before I met you

Oh no, no, no, no, no, no there's no way
Oh, no, no, no, no, no, no, there's no way
Somebody said that I might lose my head
If I kissed you (so I tried it)
And now I find you're still on my mind
Can't resist you (I can't hide it)

How could I ever leave her, she's
Made a true believer of me, baby
I can hardly wait till night time
But any time with you's the right time
Oh, no, no, and repeat to end

SONG OF LOVE

by Adam Miller

People everywhere seem to think
I won't survive one day I'll sink
Well I guess I value less what
They think than the song that I sing
And the hope that it brings

Chorus

Oh! It's a song a song of love
And to me your heart is a choir
Life is the song and the theme
Is love, give me my share and
I'll get by

Life is full of lots of things
Lots of happenings, oh, but they
Don't mean much without you
And I know in the end if you're
My friend I won't get caught
With nothing to do—so I guess
I'll just stay the same, taking
What comes and laugh at the rain
And you know I just might make it
Through as long as we keep what's
Between me and you.

I can never seem to achieve
All that the world tells me I need
Guess they choose to see the things
That I'm not but an ace in the hole
That much I've got oh! It's a song
A song of love and me your heart is
A choir

And repeat to end

LONELY TOO LONG

by F. Cavaliere/E. Brigati, Jr.

Chorus:

I've been lonely too long
I've been lonely too long
In the past days comin' down
I feel like I can't go on
Without love, I've been lonely
Too long, I've been lonely too long.

As I look back I can see me lost
And searching, now I found that I
Can choose, I'm free, oh, yeah, so
Funny I just have to laugh,
All my troubles been cut in half

To chorus

To see me now makes it worth the time
I've waited, sure is all I need to
Make me see, oh yea, I keep hoping
All my life, every day is gonna
Turn out right, to chorus

Now look at me gliding thru this world
of beauty, everything I do brings ecstasy,
Oh yea, no wonder I could die
I feel like I'm 'bout ten miles high

To chorus
