

**DAVID:** "I'm thankful for parents who let me follow my own desires in wanting to become a singer and actor. I know of so many kids whose parents have their whole lives and professions worked out for them, and then the kids are frustrated if they know they have a talent they can't fulfill. So I'm thankful for my great parents!"

**DONNY:** "I'm thankful for Thanksgiving! Taking a whole day off to thank God for all the good things He's given us is one way to remind people just how much they do have to be thankful for . . . and also to remind them they should thank God every day for His blessings."

**MICHAEL:** "Today and every day, I'm grateful for all my fans who stick by me even when they didn't get a chance to see me every week on T.V. Now that I'm on 'The Little People,' I feel I can help repay some of their loyalty by doing my best on the show and telling them all how much I love them!"

**MICHAEL JACKSON:** "On Thanksgiving I give thanks for my wonderful family—and especially this year because there's one more member in the family! Tito's wife, Dee has brought even more love into the Jackson family—and love is always something to be extra thankful for!"

**TONY DeFRANCO:** "I'm thankful for my good health and the health of my whole family. We've never had anything really serious happen—just the usual bumps and viruses—and I hope nothing ever will! As long as I'm healthy, I don't think I could be unhappy!"

**CHRIS KNIGHT:** "My friends are one of my most prized possessions—the friends I've made on 'Brady Bunch,' in my neighborhood and the fans I've met. Without my friends, it wouldn't be worth getting up in the morning! So I think that's what I'm most thankful for!"
