

SUPER DUPER ASTRO-SCOPE ON:

ARIES (MARCH 21 TO APRIL 20)

Maybe part of the reason that "The Partridge Family" is so successful is because David, Shirley and Brian are all Arians. Good partners for *any* signs are always the member of their own signs—so Arians easily understand other Arians. David, born on April 12, sees himself as an idealist, a typical Aries trait. This fire child is energetic, electric, impetuous and bursting out with ideas about life. No doubt this is why David can live up to his demanding routine of TV rehearsals, concert rehearsals and in-person appearances. Aries' biggest hang-up is impatience and restlessness. David has said that while he waits in his dressing room for his cue to go on he's thinking, "I can't wait! I can't wait to get out there! Let me get out there—let me do it!" Aries guys like speed and are probably the proud owners of a fast car or a souped-up cycle. David sure loves to breeze through sunny California in his white Corvette, with his hair blowing in the wind. Outdoor sports are an Aries bag—and though David doesn't have much time for sports anymore, Brian certainly does. Baseball and football are his favorite sports—and so is rough-housing with Danny Bonaduce when the director gives them all a break. Arians are never shy of the spotlight—and Brian sure isn't although he only passed his 12th birthday on April 14. Fame is an Aries thing and Brian has never had moment's hesitation about being on camera! Shirley is a typical Aries, born March 31, in that she loves people, and anyone who meets her is drawn to Shirley because she's energetic, enthusiastic and always ready to go. It's

truly said that Aries is always in love and Shirley admits that when she was a bachelorette this description fitted her perfectly. David confesses to that too—"I'm *always* in love!" he says. Perhaps that accounts for the big smile that's always on his face!
