DAVID CASSIDY

down for long because inside his Magic Spot it's always sunny and up!

How can you share David's Magic Spot? It's not very difficult. You can share it by being his fan and loving David. You can share it by thinking of David and crossing your fingers for him during a concert. You can share it by sharing your love thoughts with David in your letters to him. You can share it by always watching him on TV and sending him your good vibes. You can share it by being thoughtful to your family and kind to animals because David would want you to be that way. You can share it by smiling your best smile all the time—especially at David's concerts. You can share it by continuing to be interested in David's music, which is very close to his heart. You can share it by day-dreaming of David whenever your local radio station plays David's records. You can share it by staying as sweet and lovely as you are and never becoming cross with your friends (just imagine that David's watching you all the time.) By doing all these things you can share in David's Magic Spot whenever you want to.

But most of all—YOU can share David's Magic Spot because of the most important reason in the world—and that's because you love him and he loves you!
