

SPEC SPEAK-IN

MEMO FROM GLORIA STAVERS

You may wonder what happens when you write and address a letter to me in care of SPEC. This memo is to assure you that I personally receive and read each and every letter you write to me. There isn't enough space in SPEC for me to publish every letter you send me and I'm sure you understand that I just don't have the time to personally answer each letter I receive but I do want you to know that I personally read (and I appreciate) all letters addressed to me. So please keep writing to me and look for your letter and my answer in SPEC Speak-In in each issue of SPEC!

Address all of your letters to: Miss Gloria Stavers, c/o SPEC Magazine, Business Office, 745 Fifth Avenue, New York, N.Y. 10022.

DAVID READS SPEC

Dear Miss Stavers,

Now I know for sure that the stars themselves actually read SPEC Magazine! This past summer I was lucky enough to see David Cassidy in a live concert, and my good friend and I managed to escape backstage between shows and catch a glimpse of David reading SPEC. I snapped a picture of the scene and thought I'd like to share it with you and SPEC-ers.
