THE BEAT GOES ON  
Continued from Page 12

we can see him!... DAVID CAS-  
SIDY's right in the middle of his  
European tour—and the response on  
this tour is even better than his last  
time 'round, if that's possible!! He's  
spending the entire month of March  
in Europe. Two weeks in April will  
be spent touring the Orient, some-  
where David hasn't been yet, and  
he's told us he's really looking for-  
ward to it! (David loves Japanese  
food.) He'll only have a couple of  
weeks to rest up after returning,  
though, because "The Partridge  
Family" stars filming again in May!  
Whew!... THE OSMONDS have  
made their permanent home near  
Provo, Utah—the place they always  
felt was their real home to begin  
with! Actually it's an apartment—  
one of several units, they bought  
the entire building (4 floors) and are  
redecorating it to suit their style of  
living. They're putting in a music  
room (naturally!) and a studio, so  
when they're writing songs at home  
they can put them on tape. They'll  
still use the studio they built in  
Hollywood for recording most of  
their songs, though. When the fam-  
ily feels like "getting away from it  
all," they can really relax at their  
ranch in Utah, which they aren't  
going to sell. Right now, though,  
they're not relaxing! They'll be at  
the Caesar's Palace in Las Vegas  
from March 22 for two weeks. They  
hope to tour the United States again  
in September. . . . GOLDEN  
TONES . . . Everything NEIL DIA-  
MOND does turns to gold! His "Hot  
August Night" album has already  
sold over a million and earned a  
gold record, and his latest album  
"Double Gold" (containing many of  
his hits) will follow shortly! . . .  
CARLY SIMON and JAMES TAY-  
LOR are considered the hottest re-  
cording couple of 1973. Both Carly's  
"No Secrets" LP and James' "One  
Man Dog" LP have been given gold  
records. They started off '73 right—  
both had songs in the Top 10 the  
first week! . . . "Portrait of Donny" by  
DONNY OSMOND (of course!) has  
sold over a million and "Too Young"  
will be there soon. . . .
