EXCLUSIVE

Each month read all the fan club news about the Partridge Family right here in Cecelia Bonaduce's column!

Believe it or not, this is the last of the Partridge Family Fan Club News columns.

David Cassidy has a fan club all his own, and individual groups all over the country are setting up fan clubs for Danny, Susan, and the rest of the Partridges. Why don't you set up a fan club all your own for your particular favorite Partridge!

Of course, all the Partridges are a little sad that their first fan club is being dissolved, but nobody said it would be their last fan club!

The Partridges have a few good-bye messages for all their loyal fan club members, so I think I'll turn the remainder of this column over to them. Speaking for myself, I'd just like to say thank-you, and it was really fun working with all of you to make The Partridge Family a huge success!

David: "I want to thank all of you for making the fan club one of the most exciting and memorable experiences of my career. It was a great way for us to get to know each other, and I knew you'd always get the true stories through Tiger Beat and the Fan Club. Keep reading Tiger Beat, and we can continue the wonderful friendship that we made through the fan club!"

Susan: "It doesn't seem possible that it's time to say good-bye already. We were just getting started! Thank you for all the love you've given us!"

Danny: "This really isn't the end of anything! We've still got Tiger Beat! We'll still be writing to you through Tiger Beat every month! But since all of you have been so great to us, I'd like to give you something. I have a new record coming

out, called "Dreamland," and I'd like to dedicate it to all of you who were in the fan club!"

Brian: "I'll miss you very much!"

Suzanne: "So will I!"

Shirley: "Well, it was a great fan club wasn't it? I'll really miss all the wonderful letters I received in care of the club! I promise to keep in touch as long as you like. I hope you won't be too busy to write! Keep reading Tiger Beat! You know, with all the new features, like make-up and fashions, you just might become the beauty queen of your school, and really won't have time to write to us down on the Partridge set!"

Dave: "With all the loyalty you've given us over the past few years, I have a feeling the Partridge Family will be around for a long time to come! Thanks to everyone for the fan club and we'll be visiting you every week on The Partridge Family. You know something? I'm really going to miss the secret messages every month... I won't be needing my decoder any more!"

Well, that's the word from the Partridges. Remember, The Partridge Family will be a hit only as long as you watch it. That about wraps things up! The best of luck to all of you, and a gigantic thank you from all of us at Tiger Beat, and on the Partridge set!

Dear Cecelia,

Has Danny ever taken a serious fall from his horse?

Peace,
Mary Stanley

HERE'S A FAMILIAR SIGHT to all of you! Here's hoping "The Partridge Family" will be on for years. The cast and crew said to give you their love!

Dear Mary,

Danny has only fallen off his horse once or twice, and neither was serious. The only serious accident he had with a horse was about a year ago, when one of the horses in a corral stepped on his foot and broke a toe.

Dear Cecelia,

When I was in California last summer, I was allowed on the Partridge set for a little while, and I just wanted to tell everybody that I had a wonderful time. I also wanted to say that Partridge fans should never give up hope that they'll meet their

DAVID AND SUSAN say to keep reading Tiger Beat for all their news!!

faves... I never thought I'd meet David, and I did! He was nicer than even the magazines said he was! David and the Partridges forever!

Dear Cecelia,

There has been so much talk about women's liberation, that a bunch of us at school started talking about it, and we were wondering if Susan Dey and Shirley Jones think it's a good idea.

Sue Nachriener
Mary Klinger

Dear Laurie, Sue, and Mary,

Susan and Shirley both agree that women deserve equal pay for their work, but, as Susan said, "I'm romantic, and I still like men to open my door, and be courteous."

Dear Cecelia,

Does Brian Forster go to a public school in California?

Thank you,
Bernice Alcott

Dear Bernice,

No, when Brian isn't shooting, he attends a private school.
