HAVE BOBBY'S FANS LEFT HIM?

Hollywood: Will Bobby's fans be able to understand about his secret marriage and new son? This was the question on everyone's lips these days. After all Bobby had always promised never to keep secrets from his fans, and even though at the time it seemed the right thing to do will his fans be able to accept it? Well, the mail has been coming in avalanches to Tiger Beat's offices and we're happy to say, yes Bobby's fans, though still a little hurt, really do understand. And what does Bobby have to say about it all? "I feel that I am the luckiest person alive to have fans who are so beautiful and loving." A super pat for Bobby and all of you!

SYLVERS VERSUS JACKSON FIVE!

Hollywood: Since the Sylvers' super rise to stardom lots of people have been comparing them to the J-5. But there are no hard feelings because the Sylvers and Jackson Five happen to be close friends in private life. And besides don't you think that the world's big enough for two super talented groups?!

As you know, David has a lot of fans across the ocean and he feels that he should give his foreign fans a chance to see him perform. So be patient and why don't you drop him a line in care of Tiger Beat telling him you'll miss him!

MARK SPITZ TO MARRY! WHO'S THE GIRL HE LEFT BEHIND?
