

new animated series. The original cast will do the voices for the cartoon, except David and Shirley! Is this change because David and Shirley felt they wanted to go on to other things, such as movies, stage productions, nightclubs? Or is this because David wants to slowly ease out of the teeny-bopper role and get more mature parts, the way Bobby Sherman did when "Getting Together" fell apart and he refused another series. Well, which do you think it is?

Whatever evidence there is for David being secretly married—his terrible need for privacy, his desire to change and mature his image, etc.—there is, of course, plenty of evidence that hangs in the other side of the scale. Bobby Sherman slowly moved out of your heart and into Patti's, and it's very easy to believe the same thing of David. But then you have to remember that David and Bobby are two different people and what is true for one, doesn't necessarily hold true for the other.

Are you wondering what TEEN WORLD thinks about all this? Well, we have to admit that the evidence is contradictory. But knowing David, we really don't think he is secretly married. We think that a young man who was just 23 and has a glowing career ahead of him isn't ready to give that all up just yet. Maybe *someday* but not just yet. But David has always been very honest with us in the past and we're sure that when he marries we'll be among the first to know. And, through us, David will be telling you all about his bride. Either way we'll have exciting things to tell you about David in following issues!
