

ANDY and DAVID WILLIAMS are absolute angels! They dropped by the office yesterday to pick up some of their fan mail and drew me some darling pictures of their imaginary friend Tammy Tarantula! You've probably heard of Tammy if you've been reading Tiger Beat every month. And, you probably know how much ANDY and DAVID love to draw! Next month in Tiger Beat you can be one of the lucky girls to win a personal ANDY and DAVID drawing in a super new ANDY and DAVID contest! And, we'll be bringing you the results of ANDY and DAVID's DATE MATE QUESTIONNAIRE from July Tiger Beat, too!

Have you entered the DeFRANCO FAMILY's missing word contest? If you haven't quickly turn to page 22 and enter now! It's really easy and you could be in HOLLYWOOD this year!

SALLY FIELD and JOHN DAVIDSON star as a happily married couple in "The Girl with Something Extra," a new series starting in the Fall! She's a wife with ESP and more!

TONY dropped in to tell us how much fun the family's having taking dance lessons. They're all great natural-born dancers but they're learning some super new steps to go along with the songs they'll be singing. He says they are learning to work together as a team in dancing as well as singing!

I know that last month I told you I'd have an interview with DAVID CARRADINE for you this month, but since we got such a fantastic response to the DeFRANCO contest when we first ran it in July Tiger Beat, we decided to run it again this month so YOU can have a chance to enter if you missed out last month! But, don't worry DAVID fans—you'll be seeing lots on our great "KUNG FU" champion in Tiger Beat every month!

THE HEYWOODS came back from their May-June tour with the OSMONDS all excited and eager to do all the other shows they have planned for the summer. We're sorry that so far the HEYWOODS aren't planning on touring with the OSMONDS in August or September, but they feel they'd like to get out a little on their own. But, since we loved them with the OSMONDS maybe we can get them to change their minds. In the meanwhile, THE SPRINGFIELD REVIVAL will be with the OSMONDS on the road.

Speaking of touring, DAVID CASIDY definitely will not be returning to the concert halls this summer. Why? Because he wants to concentrate on his last season filming the "Partridge Family." He wants you to remember him as a fine actor in his portrayal of Keith, so he plans to work at it extra hard! Actually, we should be glad because you know how run-down and exhausted he got last year and the year before doing so many things at once!
