

# DAVID'S IS YOUR

SECRET

# ADDRESS BOOK! NAME IN IT?

Most everybody has an address book — for special people you write to, or call, and David's no exception! But, he's got one very

special address book that's reserved for certain special girls! Could your name be in it?

**YES** if you're the kind of girl who loves to send pictures along with the letters you write! David loves pictures more than anything else—they tell you so much about a person. Not just what they look like, because David can tell a lot about you from your smile, your eyes, the way you look into the camera!

**NO** if you're the kind of girl who calls him on the phone at all hours of the night. An inconsiderate girl will never find her name in David's special address book!

**YES** if you like to decorate the outside of your letters with little drawings and sayings. That'll always catch his eye! In fact, when David

goes through his fan mail, he picks out the most colorful and decorative envelopes first!

**NO** if you're the kind of girl who writes him nasty letters if he hasn't had a chance to answer your letter yet! David does try to answer as many letters as he can, and he often puts aside those he wants to answer for later, after he has time to think about it. Maybe yours is one of those, so don't write him a second letter scolding him for not answering—he may not answer it at all if you do that!

**YES** if you were the girl who waited quietly outside of the hotel for a chance to speak to him. David remembers the girls who are polite,

who don't scream and shout right in his ear!

**NO** if you're a girl who can't understand that everybody needs their privacy. If you get upset because you can't find out every single thing you want to know about him!

**YES** if your heart skips an extra beat when you get flowers through the mail. David loves sending things to people for no real reason at all, except he was thinking of you!

**NO** if you get upset because he didn't remember your birthday and send you something to let you know he was thinking about you!
