DAVID GATES OF BREAD

'Tain't true what those rumor-mongers have been saying 'bout fav actor, blond and beautiful **Jan-Michael Vincent**. 'Twas said that **Jan-Michael** made some comments about his preference for "cheap booze, fast cars and slick women." **Jan-Michael never** said that—indeed, he's a happily married man and new father and claims he has no idea how this rumor got started! . . . Speaking of happily marrieds who are new parents, you can add **Tito** and **DeeDee Jackson** to that list. They became the proud parents of **Toriano Adaryll II** on August 4, 1973. The new **Jackson** weighed in at six pounds, ten ounces. He looks like **Tito**, who was playing a gig in Hampton, Virginia when his first son was born.' **DeeDee** had natural childbirth and **Tito's sis LaToya**, who had attended classes with **DeeDee**, helped throughout the birth.

After his badly-needed and extended vacation, **David Cassidy** got right back to work on *The Partridge Family*, his recording career, and "extra curricular activities" such as *National Youth Chairman of the Special Olympics For Retarded Children*. Here, **David** poses with a former junior high schoolmate, **Roger Meyers**, who will be honored for his efforts on behalf of underprivileged children, even though he himself is retarded. Other **David**-activities included being a celebrity host of a special KJH-Radio (Los Angeles) segment. It was part of a two-week series that included other major music personalities such as the **Osmonds** and the **Carpenters** . . . Speaking of **David**, one of his celeb-pals, the far-out **Alice Cooper**, was seen recently at the opening night of glitter-rock act **Iggy & the Stooges**. It was one of the grand events among the "freak rock underground" and it took place at Max's Kansas City, a New York City nightclub. Here, the camera catches **Alice** in a candid moment with **David Jo Hansen** of the **New York Dolls**, an up-and-coming rock group.

For all of soft rock group **Bread's** fans who are heartbroken about the split, lead singer **David Gates** tells why: "We have broken up completely and entirely. **Bread** had run its course and we decided it was time to do things separately. But the split was very friendly and we like to think we had achieved quite a lot during the years." **David** himself has a solo record called *Clouds* which is climbing to the top spot on the national record charts . . . Want to know how you can get all those groovy T-shirts with pop stars and funny sayings on them? Allya' do is send an 8¢ stamp to **Free Blueberry Catalogue**, P.O. Box 223, Lenox Hill, New York City 10021. You'll be sent a special catalogue showing all the fabulous T-shirts you ever wanted! . . . RIDDLE OF THE MONTH: What spoiled young TV star showed that he's got a lot of growing up to do when he was seen at a Disneyland cafe standing on a table and throwing ice at the other customers in the cafe? He annoyed everyone and certainly didn't help his popularity.
