

FOR CHRISTMAS IS..."

MAUREEN McCORMICK

"A cooking course at the famous Cordon Bleu in Paris! I would adore being able to whip up meals that were gourmet from start to finish!"

ERIC DAMAIN

"To be able to live in your wonderful country so long that when I go home to France they'll tell me I speak with an American accent!"

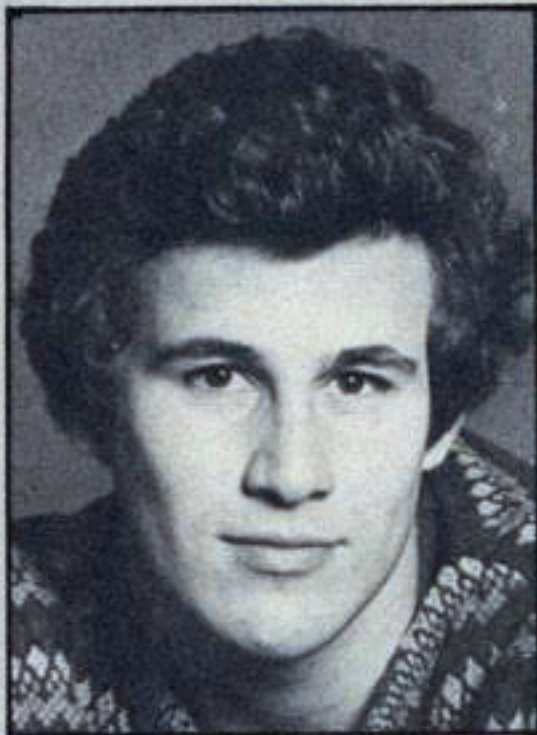

MIKE ONTKEAN

"A chance to spend a whole year traveling all over the United States and photographing the beauty that I've only seen such a small part of!"

ALAN OSMOND

"To be able to buy everybody in my family exactly what they want for Christmas without hinting around so much that they already know what they're getting!"

JAY OSMOND

"The brightest red surfboard ever made, and then a whole month in either Hawaii or Australia with a great teacher to show me how to use it!"

HEYWOOD RICK JOSWICK

"Having everyone in the world realize that living and loving each other is the reason we were put here on earth—no more wars, ever again!"
